Ingredients

Soybean Meal, Cotton Seed Meal, Distillers Dried Grains, Blood Meal, Calcium Carbonate, Sodium Bicarbonate, Liquid Cane Molasses, Salt, Calcium Phosphate, Potassium Chloride, Active Saccharomyces cerevisiae Yeast, Enterococcus faecium, Urea, Magnesium Oxide, Zinc Polysaccharide Complex, Manganese Polysaccharide Complex, Copper Polysaccharide Complex, Cobalt Carbonate, Zinc Sulfate, Zinc Oxide, Ferrous Sulfate, Manganese Sulfate, Manganese Oxide, Copper Sulfate, Ethylenediamine Dihydriodide, Calcium Iodinate, Cobalt Sulfate, Sodium Selenite, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement.

Feeding Directions

Feed at the rate of 8.0 lbs/head/d with high quality grains and roughages. Provide abundant, fresh supply of water. Do not allow animals to be without feed for extended periods of time; always keep feed within reach of animals. CAUTION: This product contains copper, DO NOT feed to sheep. Follow label directions. For further feeding directions consult your supplier or nutritionist.

FEATURES

- Proprietary combination of quality protein
- Organic trace mineral and vitamins
- Mature, Live yeast
- Sodium bicarbonate (buffer)

BENEFITS

- Better protein utilization for increased milk
- High bioavailability maximizes absorption of trace minerals for enhanced performance, faster immune response and rebreeding
- Competitive inhibitor to maintain gastrointestinal health & increase performance
- Increase fat test in improves gut health
